SOCIETY OF
CLINICAL PSYCHOLOGY

DIVISION 12
American Psychological Association

Dear SCP Colleagues,

Greetings to you all!. We hope that you are staying safe and healthy during this ongoing and unprecedented crisis. The SCP CE Subcommittee has been working hard to find ways to support our members and the larger community and are pleased to announce that

SCP is continuing to offer FREE CE for our members!

That's right - all CE opportunities from SCP are free for members (regular fee for non-members).

We have SO many offerings for CE, both ongoing live offerings and recorded sessions for CE!!

We have offered over 5 excellent programs in 2020 and have over 50 programs for CE available in our archives for homestudy!!

Additionally, we have ongoing CE series with the National Register of Health Service Psychologists AND a new series beginning in collaboration with the NIH Science of Behavior Change group. These programs offer incredible CE opportunities to learn from nationally and internationally known scientists and practitioners!

Again, all of the programs in these series as well as our ongoing SCP programming are FREE for members! Membership for SCP is \$63 annually*. One credit hour of CE for nonmembers is \$50. You can see the advantage of becoming a member!

Please join us and become a member now! You can go to div12.org/membership and login to renew for 2021 or join.

Please email the Central Office at division12apa@gmail.com<<mailto:division12apa@gmail.com>> with any additional questions.

Best Wishes,
Dr. Kim Penberthy and the CE Subcommittee
